

Our services

We offer interest-free instalment plans when you buy a service through one of our partners and interest-bearing loans with longer tenors. You can finance all types of private care in health, beauty and education.

Refer to our website to find information about the current interest rates. On the website, you will also find examples of different monthly costs, depending on the chosen amount and tenor.

- ✓ **Safe and secure**
Sign with BankID
- ✓ **Smooth and simple**
Quick response after applying
- ✓ **Customized offer**
Choose the amount and tenor according to your preferences

We can finance

- ✓ Private care
- ✓ Private medical treatments
